Dear Ian

Gosberton Medical Centre

Further to the completion of Gosberton Medical Centre, I am writing on behalf of myself and the Directors to say how impressed we are with the design and quality of the building. Despite the disappointing delays towards the completion of the work, Primary Asset along with the doctors and patients are very pleased and excited with the new building.

Your team has worked well throughout the whole process and I hope that we will be able to continue the relationship into the future, striving to achieve even better results.

Kind regards

Yours sincerely

Jemma Whetton
